ACKNOWLEDGEMENT

I would like to express my heartfelt gratitude and appreciation to all those who have supported and guided me throughout my internship journey and the preparation of this report. Without their invaluable assistance, this accomplishment would not have been possible.

First and foremost, I am grateful to Stuti Bajaj, my internship supervisor, for their unwavering guidance, patience, and expertise. Their continuous support, encouragement, and constructive feedback have been instrumental in shaping my understanding and enhancing my skills in graphic design. I am grateful for the opportunity to work under their mentorship and learn from their vast knowledge and experience.

COMPANY PROFILE :

We are a communication design and public relations consultancy, that follows an integrated problem-solving approach towards creating lasting value for brands.

Located in New Delhi and Mumbai, Wishbox was founded in 2010 by Pawan Hora and Shilpa Wadhwa with a vision of making it a one-stop-shop for brand communication and promotion strategy. Our pan-India presence has enabled collaborations with a multitude of clients in the domain of technology, lifestyle (fashion, accessories, decor), education, health, finance, CSR, FMCG, F&B and more. In our decade long journey, we have been a part of 500+ brand stories.

COMPANY MISSION :

To create brands that connect with real people in an honest and tangible way.

We approach every project with a playful curiosity, that seeks to understand the essence of the problem and offer effective communication solutions. This is a process of brainstorming, questioning, problem-solving and totally immersing ourselves in the ecosystem of the brief.

Co-curricular activity

CRTP/MSMD

In order to forge our students in competent professionals DSTC has specially designed this course that covers interpersonal skill, soft skill, overall personality development and pre - placement activities. These programs will ultimately help them to cop-up with corporate culture and current industrial demand.

Cultural activity

DSTC organize cultural events on regular basis to aware the students about rich cultural heritage and Indian tradition. These events develop the love for various Indian and other art forms and help them to cultivate humanity.

Sports

We arrange sports week every year to freshen up the students and even faculty members from the busy schedule of study. We organize all sorts of traditional and international games. Sports events are organized to cultivate sporting spirit, leadership skill and habit to digest victory and defeat in real life and in the world of sports. Some of our students have played at state and national level in their respective sports.

Social Activity

Dr. Subhash Technical Campus has developed the habit of carrying out various Socio-National activities under **Corporate-Social Responsibility**. We have taken up mega activities like **Sainik Kalyan Nidhi, Clean Junagadh campaign, Water Conservation campaign** etc. in the past. We also arrange various activities on regular basis like Visit to Old aged Home, Visit to Physically and Mentally Challenged Kids, Book donation to needy children, Free Medical Check-Up Camp in the villages, etc. under Samarpan Club. These events are organized to cultivate sense of responsibility in our students towards society and nation.

Our Values

Every student enrolled in our campus is a **"professional seed"**

Every parent of the enrolled student is an investor in our **"trust bank"**

Every faculty on the campus is a **"reservoir of knowledge and skills"**

India Partnership for Early Learning (IPEL)

IPEL - India Partnership for Early Learning

India Partnership for Early Learning (IPEL) is a USAID supported five-year project that aims to transform foundational learning delivery in selected states (Bihar, Jharkhand, Uttar Pradesh (UP), and to a limited extent, the Municipal Corporation of Delhi). The project is a consortium of four organizations led by CARE/CARE India, Central Square Foundation, Room to Read India Trust, and KPMG India.

BRIEF :

To design a newsletter for IPEL's March - April 2023 highlights. The newsletter covers the support and contribution of IPEL to the state governments of Bihar, Jharkhand, Uttar Pradesh and Municipal Corporation of Delhi in achieving NIPUN Bharat Mission by 2026-27. The newsletter should showcase the project highlights, inspiring story from the field, some reading recommendations, latest research from the sector, and glimpses from the project.

Dear Partners in NIPUN,

I am pleased to share with you the [second edition of India Partnership for Early Learning's \(IPEL\) Highlights for March - April 2023](#). We have been supporting the state governments of Bihar, Jharkhand, Uttar Pradesh and Municipal Corporation of Delhi in achieving **NIPUN Bharat Mission by 2026-27**. Once again, we present to you major project highlights, an inspiring story from the field, some reading recommendations, latest research from the sector, and glimpses from the project.

We look forward to staying connected and sharing stories of change for India's children!

Regards,
Romonika D. Sharan
Technical Director - Policy & Advocacy

A 25-day TLM Mela (exhibition) was conceptualized and organized under the leadership of the BEPC to address the requirement of quality TLMs in schools. A unique feature of this exhibition has been to capacitate teachers to create and use innovative low-cost TLM. These have been organized at the block and district levels, and will now be organized at the commissionerate and state levels.

UTTAR PRADESH

- Over 1000 Anganwadi Workers (AWWs) trained across 15 blocks in Lucknow and Barabanki on PMNL module, under the leadership of Department of Basic Education and Department of Women and Child Development.
- 1500 co-located Anganwadi Centres (AWCs) in Barabanki received developmentally appropriate TLM Kits to foster pre-school education.

JHARKHAND

- A comprehensive situational analysis of Sakshikas was conducted across 211 centres in 11 districts under the leadership of SCERT. The findings have been utilized for developing a state-level ECE roadmap and action plan, in consultation with the Barabanki Education Project Council (BEPC) and Department of Women, Child Development and Social Security.
- A workshop on conducting Action Research with DIET faculties was organized under the leadership of SCERT. This will foster more responsive classroom practices.
- As shared in the previous edition, the first version of the state monitoring system (Comprehensive Foundational Learning Reporting System (CFLRS)) has been launched. Under the leadership of the JEPC, the first district level review was organized in West Singhbhum of the data to inform district level FLN implementation. Over 150 block and Cluster Resource Persons (SRPs and CRPs) presented a review of their respective blocks.

The Department of School Education and Literacy Development (DoSE&LD) organized its first School Management Committee (SMC) Conclave. FLN initiatives undertaken by the state were presented to and lauded by over 200 attendees (SMC members, teachers, parents and students).

Under the leadership of Sh. K. Ravil Kumar (Secretary, DoSE&LD), the state reviewed and approved the NIPUN action plan for Year 3. Key members from state leadership, UNICEF and IFPI were among the participants.

Meet the Director

Somayya is a specialist in the K-12 education segment with specific focus on Monitoring & Evaluation, Ed Tech & Adaptive Learning, as well as in Distance based learning models in education. Some of her landmark assignments/roles worked on include the world's largest Development Impact Bond (DIB-DI), state-level gamification of assessments in Sakshika Haryana, Outcomes based financing for foundational learning (Multi-Catalyst) in South Africa and a Learning Guarantee program for Vietnam.

Somayya also has a decade of experience in the Pharma and healthcare sector and was a senior biologist in her previous avatar when she worked at Novartis and Dr. Reddy's Laboratories. She holds an MBA from Indian School of Business (ISB COEP), M.S from Hershey College of Medicine and a B.Tech (Biotech) from IIT Bombay. In her leisure time, she enjoys reading, traveling and being a fun mom.

Project Highlights

BIHAR

- Under the leadership of the Department of Education (DoE) and Department of Women and Child Development (DWCD), PSE, and UNICEF jointly facilitated a three-day workshop on developing Perspective Plan and Holistic Progress Card for Early Childhood Care and Education (ECC). It was anchored by the 11th initiative under Mission 1000 in Bihar but also engaged children and parents in interactive activities like quizzes, audio stories using headphones, games and selfie zones. Sh. Nitish Kumar (Hon'ble Chief Minister) and the Chandro Shekhar (Hon'ble Minister of Education) lauded the strides made in the FLN Mission.
- 60 District Institutes for Education and Training (DIET) faculties were trained on developing and using low-cost Teaching Learning Material (TLM) using locally sourced materials for library and masonry, under the leadership of the IIT IIT. The SCERT also unveiled Gender Inclusive Numeracy Kit. It has been designed to ensure universal supply and understanding of numeracy TLM. These will be integrated in the pre-service and in-service training of teachers, along with on-going FLN workshops.
- The BEPC and State Council of Educational Research and Training (SCERT) approved the Teacher Guide for FLN Practices. It provides direction on FLN teaching approaches, corresponding assessments, along with lesson plans. Teachers will be equipped with the same from the forthcoming academic year.

Director - Primary Education) Department of Education, Government of Bihar.

From the Field

UM, Kharidabad is a telling example of how mediated engagement with schools can transform them and can reinforce their commitment to a larger mission. The school has identified one building in its campus as FLN Bhawan housing grades 1-3 together.

Efforts have also been made to create a print-rich environment in all classrooms of the Bhawan - displaying the FLN kit for ease of access and drawing improved usage by teachers, and also the Teacher Handbook in the classroom instead of the Principals' office, and also setting up a library in classrooms for children.

Data Highlights

Key advantages of introducing an additional Education-based Worker in Anganwadi centres supplementing the efforts of an Anganwadi Worker:

18 > 6

Children also received 18 minutes of health and nutrition services compared to 6 minutes

16-20

Future learning gains of the children attending the program is likely to be 16-20 times the public financial cost borne by governments

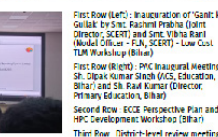

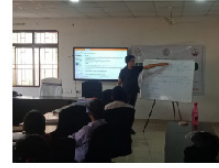

76 > 36

Children received 76 minutes of pre-school instruction time as compared to 36 minutes

**CENTRAL SQUARE
FOUNDATION**

CSF - CENTRAL SQUARE FOUNDATION

Central Square Foundation (CSF) is a non-profit organization, working towards its vision of ensuring quality school education for all children in India. Since 2012, CSF has been working in partnership with central and state governments, other non-profit organizations, and ecosystem stakeholders to improve the learning outcomes of children from low-income communities. CSF's approach across FLN (Foundational Literacy & Numeracy), ECE (Early Childhood Education) and EdTech focuses on solutions that are scalable, sustainable and effective. Our system reform approach covers the spectrum from Policy and Innovation to Practice at Scale, for sustained student learning improvements.
