Some of my initial inspirations were my rememberences from watching kannada films made in the late 70's. I have a very few to name as the majority of my inspirations were born out of a more experimental and an imperial approach to drawing letterforms.

One film I remember of well is Bhaktha Kumbaara (1974), Samskaara (1970) and the monochrome posters of the 1985 film Jwalamukhi directed by Singeetam Srinivasa Rao.
